Extracts

At our Yearly Meeting of Friends for New
England held at New Bedford in Rhode Island
by adjournments from the 10th of 6th month
to the 12th of the same inclusive 1856

At a meeting of the Board the 12th of the Month
The Committee appointed to Examine and settle
the Treasurers account, Consider of a sum
suitable for the Meeting, to raise and to propose
a Treasurer have Made the following Report
which was approved and Ordered Entered on
accordingly & appointed Treasurer for the ensuing
year and amount Quarterly Meetings are
requested forward to him their respective
proportions of three hundred Dollars the sum
agreed to be raised and the Clerk was directed
to furnish them with a copy of this minute
(Also of the Quarterly Meetings proportion
being to present in 1860)

At this Meeting of the Board and 13th of the Month
the Meeting was mostly exercised under a precious
sense of the many mercies & advantages
enjoying within our borders and the lively living
and rightly exercised Members were strengthened
feel there is much amongst us that calls for
close searching of heart
& recall and living testimonies, we feel
the necessity there is for some solemn impression
with us to arise and shake themselves as from the
dust of the earth to which our souls cleave that
so they may be preserved from the Many dangers
of the times with which we are surrounded
& be more fully to realize the necessity of
keeping a single eye unto him who hath called us
to a holy and holy calling, and where we look
unto him for ability and strength will
be able us to overcome the world, to resist the
many temptations of the adversary and finally
an Entrance is abode in Make us more than
conquerors through him

We have cause to Mourn deeply to realize
that the Members of the Church have so largely
extended unto us a people whom he had
designed for his praise and to exalt his
Standard of truth and Righteousness in the
Earth and for whom way has been made that
they might grow & flourish even in Paths of

his own right hand planting but have of late
through unwatchfulness & indifference been suffered
themselves to be drawn aside from the right way thereby
bringing reproach upon the Blessed Cause of Truth
Mourning over the Spirits of the Living and rightly
exercised Members, in that sense of these things ready
ready to explain, It is of the Lords mercies that we
are not consumed, because his compassions fail not
And the Language of the Spirit unto the Churches
of Asia Seems to be, what could have been done more
to my Vine Yard that I have not done in it? Wherefore when I look that it should
bring forth Grapes brought it forth Wild Grapes,
Friends were feelingly exhorted to be more diligent
in the Maintaining of our Christian testimonies,
that by an humble & consistent walking in
all things, they might witness a growth in Grace
and in the Knowledge of the Truth
They were earnestly reminded of the importance
of a diligence attendance of all our Meetings
for Religious Worship and discipline, and
encouraged to greater faithfulness therein not
forsaking the assembling ourselves together
as the manner of some is, but exhorting one another
Friends weighty counsel and advice was
called forth in View of the many discouragements
outwardly appearing in the pursuit the Enemy
in regard to sleeping in our religious Meetings
and the Mournful Language of our blessed Lord &
Master in the Garden of Gethsemane was feelingly
administered, What could ye not watch with me one
hour? Watch and pray that ye enter not into
temptation— And strong desires were raised and
expressed that all our Members whether present
or absent who have thus brought dishonour upon
the Church might take due help to see and
the preciousness of their condition
with fulness the designs of the Enemy may
be defeated and we may become more firmly
built up and established on the above sure
foundation, and that all might be made
willing to search Jerusalem as with a lighted

neglected by some especially by aged who have
recently deserted from the care of Society
We fear all are not clear of unbecoming

of the reports which in the answers to the
first Query have attraction for the same reason
not sufficiently Guarded against
No Differences have appeared amongst us

Answer third

Friends appear to be careful in bringing up their children
in plainness of speech and behaviour

but not so careful as to apparell as would be desirable
Careful to refrain from promiscuous reading and from
Corrupt conversation and evil company Strive
to observe the Holy Scriptures as enjoyned

Extracts

At Salem and Dover Quarterly Meeting of Friends held at North Dartmouth the 25th of 8 mo 1864

The following Extracts from the Minutes of our last Quarterly Meeting were received and read at this time to our Satisfaction Namely,

At our Yearly Meeting of Friends for New England held on Rhode Island, by adjournment from the 13th of the 6th month to the 15th of the same inclusive 1864

Second day of the Week and 13th of the Month,

Salem and Dover Quarterly Meeting informs that in consequence of the withdrawal of a considerable Number of the Members of from the Meeting in Salem, and the Changes resulting therefrom, it will in their judgment be more convenient and satisfactory to continue to hold a Quarterly Meeting no longer at that place - and therefore proposed that the time and place of holding that Quarterly Meeting be changed from Salem in the 6th mo to North Dartmouth on the 4th to 5th day in the 4th mo at the usual hour, which having been deliberately considered is approved both by this and the Yearly Meeting

Second

Third day of the Week and 14th of the month

During the time occupied by the Meeting in the consideration of the State of Society, Friends were brought under painful exercise, in consequence of the many deficiencies exhibited in the answers to several of the Queries, and a loving concern was felt and expressed that all our Members may endeavour to manifest that plainness and simplicity in dress and address, which well befits the true Christian character, looking above and beyond the adornments of the outward Man, and in conformity to the Word of that peace which it can neither give nor take away.

Allusion was also to the deficiencies reported in the answers to the 7th Query, and the dear Youth were encouraged with others to maintain a faithful testimony to the truth

peaceful and harmless character of the Gospel dispensation, and to endeavour, through Holy Help, should they be drafted under the Conscription laws, to endure with fortitude and patience whatever suffering may be in store for them, maintaining their integrity, - in the certain assurance that he whose blessed and holy ways they seek to promote in the earth will support them through all, and finally overrule their suffering for good.
